All collectors will have a signed authorisation to act on behalf of the Association.

## TO CHANGE? OR NOT TO CHANGE?

### THAT IS THE QUESTION

The new method of allowing tax relief on mortgage payments makes it probable that house purchasers should consider changing from a direct method to an endowment method.

Confused ?? You're not alone.

If you would like an informal chat about how this affects you please call me to make an appointment, daytime or evening, in your home.

You provide the coffee! I'll provide the information !! No charge !!!

Is there anyone interested enough to give a little time each month to  
"Help Oxfam" ?

I have been asked by Cambridge Oxfam to form a group of helpers with the aim of producing simple children's garments using materials (remnants of wool and cloth, etc.) which we would collect ourselves. Even if you don't wish to be involved in the running of such a group, but would be willing to help in any of the following ways - please, please ring me.

1. Collect/unpick woollen garments or remnants of material.
2. Cut out and/or sew simple shifts for children.
3. Knit squares or strips for blankets and/or small tops for toddlers.
4. Collect old postage stamps/silver paper and foil.

Thank you.

BAR HILL PARISH COUNCIL

The monthly meeting of the Parish Council was held on Tuesday 15th February in the School Lounge.

A. 604

Councillor Coteman reported that the County Council are continuing to press the Department of Transport to install crash barriers in the centre of the A. 604. He will keep the Parish Council informed of any progress.

Compensation

The Clerk reported that he had been informed of the outcome of the prosecutions following the vandalism last September, and the amount of compensation to be paid. This will cover the cost of replacing the damaged trees and goalposts.

### Tree Planting

The tree planting scheme continues, with work being carried out in the area of the Village Hall. The Parish Council is most grateful to the Trees and Woodlands Officer of the District Council for his advice and co-operation in this scheme. Unfortunately, trees in The Drift have had to be felled as they were diseased and presented a hazard to homes in the area. The maintenance staff will be planting replacement trees in the near future.

### New Scout Hut

The Parish Council welcomed representatives of the Scouts in Bar Hill to the meeting to discuss possible sites for the new Scout hut. It was not possible to come to any decision in the time available, but a working party has been set up to consider and inspect a potential site, and outline planning permission will be applied for.

### Sewage Problems

A notice has been circulated to all homes in the village asking for the co-operation of residents during the strike of water workers. Problems have been experienced with blockages of the main sewer and as the Water Authority cannot deal with these, residents are asked to ensure that nothing is consigned to the sewer which could cause a blockage. Please note that the second of the two telephone numbers on the circulated notice should read Cambridge 69852 and not Cambridge 247351.

### Annual Parish Meeting

The annual meeting of Bar Hill Parish will be held on Wednesday 13th April at 7.30 pm in the Village Hall. Everyone is invited to attend and representatives of village societies and organisations are also invited to give a short report about their groups. Please contact Christine Avery on Crafts Hill 81233 if you would like to speak at this meeting.

The next meeting of the Parish Council will be held on Tuesday 15th March at 7.30 pm in the school lounge.

## JUNIOR CHURCH NEWS

As some of you are aware, Julia Hart is moving to Swavesey in the near future. For this reason she has resigned as our Junior Church Co-ordinator. All of us in Junior Church will miss her, and I am sure all the children and Junior Church Leaders will join me in wishing Julia, David and their boys happiness in their new home and in everything they do in the future. They will still be attending our church, so we won't be losing contact with them completely.

In the past year the numbers at Sunday School have doubled. We now have 103 children on our register. We do need more helpers especially for the terrapin. I am starting a rota of Mother Helpers to help one Sunday a month. (A copy will be pinned on the Church Notice Board). Three people have already come forward, and ideally we would like another three, so that we have two helpers per session. They would not be expected to teach unless they specifically wanted to, but to help generally and at the end of the morning to make sure each child goes home in the same coat, scarf, mittens that it

I leave the terrapin in the capable hands of Katy Jackson, Linda Howard and Rita Sandham. They really do work very hard each week seeing that the 3 to 5 year olds enjoy their Sunday mornings. I shall be returning to the Meetings Room to assist Brian Howard, Janet Kempson, Fran Lammis, Pat Staden and Mike Colver who with dedication and a much needed sense of humour teach the 5 to 11 year olds.

On Sunday March 13th there is to be a combined Mothers Day and Cradle Roll Service. We do hope all parents will be able to attend as the children have been practising a song to sing to you.

I would like to thank everyone who voted for me and I pray that God gives me the skills to perform the task properly.

June Hinchliffe  
Junior Church Co-ordinator

## LETTERS TO THE EDITOR

The Residents' Association have decided to donate £250 as their 1982 contribution to the Bar Hill Community Primary School to assist in the new reading scheme which is being introduced. This gift has been most graciously acknowledged:-

From the Governors of Bar Hill Community Primary School -

Dear Mr. Foulkes,

The Governors were delighted to hear of the donation of £250 recently received by the school from the Residents Association.

We are very grateful to you for this very kind gesture, and can assure you, and all the residents of Bar Hill, that this money will be put to very good use for the benefit of the children.

Thank you very much.

Yours sincerely,

### WORK THIS ONE OUT

My uncle applied for the post of Head of the Commerce Department at Waterford Polytechnic.

It was a terrible crossing, throwing the plant pots about, and there was a great big Irishman at the foot of the companion-way, with clasped hands, saying "Mary will save, Mary will save!" Then there was the slow jog-trot of an Irish train down the coast and round the corner but, when he got there, the Chairman, who did all the talking, refused to speak to him except in Irish in spite of my uncle's repeated "I m sorry, I can't understand a word you're saying!"

He stuck this for two hours - he was, in fact, by temperament, an unusually patient man - and then, with a final "I haven't understood a single word you've said to me!" he got up and left. What else could he do?

So there was the long tedious journey back but when he arrived home in Bolton there was a telegram waiting for him offering him the job.

And my uncle and aunt always said that the six years they spent there in Ireland (1907-1913) were the happiest of their married lives. Nobody could have been more friendly, more hospitable or kindly. As I said at the beginning, rationalise that!

.....

### YOUR GARDEN IN MARCH

Most plants start actively growing around the middle of March in this area although frost, cold winds and even snow are still possible, so any plants put outdoors may need some protection.

As the weather warms up lawns can be sown or reseeded in worn places and a spring fertiliser can be applied. Selective weedkillers should not be used until the grass is growing strongly, but worms can be controlled with special products.

Roses should be pruned towards the end of the month and all frost damaged wood removed.

Trees and shrubs can be planted in fine weather and will benefit from a small quantity of bonemeal mixed in the bottom of the planting hole. This is a slow acting fertiliser. Established trees and shrubs will benefit from a top dressing of manure, peat or compost and fertiliser can be raked into the soil all around the garden.

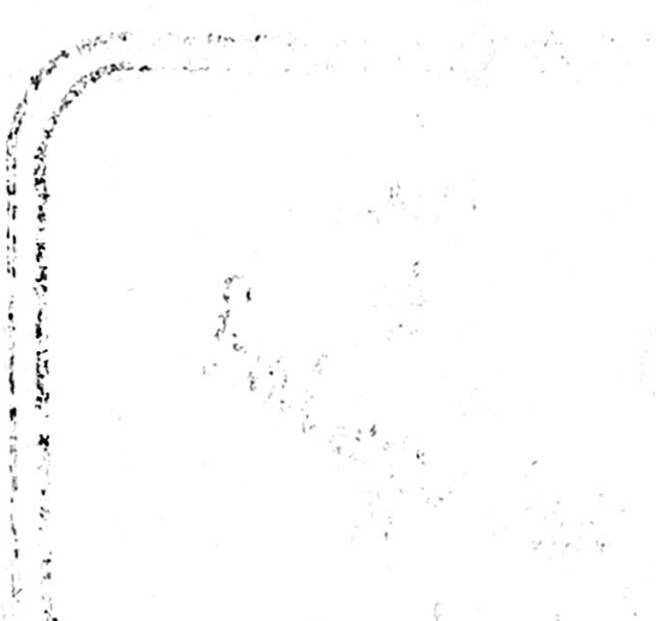

Remember to dehead daffodils as the flowers finish, and crowded clumps of snowdrops are best divided and moved soon after flowering. Any broken or dead branches on shrubs should be cut away, and established hedges can be pruned too.

Feed houseplants to promote growth and flowering, and now is a good time to repot plants. Most seeds can be started into growth indoors and potted up as they grow on.

HAPPY GARDENING.

### CAMBRIDGE CROFTERS FOLK EVENING

Friday March 18th at 8.00pm at Bar Hill School

The Bar Hill School P.T.A. have organised a repeat of last years successful event. Once again this will be an evening of live musical entertainment in an informal cabaret-style atmosphere.

The Cambridge Crofters are an established part of the musical life of the area, having sung in clubs and played for folk dances for a good many years. Their presentation is relaxed and easy-going with a well balanced repertoire of music and song, using a variety of instruments for accompaniment and for swinging instrumentals.

Performing with the Crofters are Sons of Ale, who also took part in last years event. Their music is a special vocal blend of harmonies achieved without the accompaniment of instruments. They, like the Crofters, have a habit of enjoying themselves and making sure the audience does too.

With regard to refreshments we are going to try a new approach which has proved successful in other villages. Instead of having an organised bar we are asking you to bring your own drinks and glasses, while we will provide a light snack to go with it. In this way you get the drinks you want at your own prices without the disturbance of having to queue and miss some of the entertainment.

Going by previous experience this will be an entertaining evening of live music, an opportunity not to be missed. We hope to see you there.

Tickets are on sale at £1.75 from the School or from University Keyboards in the Mall.

The annual show this year will be on the 13th August. A schedule will be published in the next Bar Hill News.

There are still a few allotments available and now is the time to consider growing your own fresh vegetables.

The allotment shop will be open on March 6th from 11.30 to 1.00 and then weekly from April 3rd. As an opening offer we are having a sale of insecticides, seed trays and flower pots. We stock a good range of peat, seed and potting composts, general fertilisers and some garden aids. Membership costs only 50p per year and you can join at the shop.

Any queries on allotments or the society to Heather Sales,

### GRAPE PICKING IN THE SOUTH OF FRANCE

It has been suggested that a party of Bar Hill residents should go grape picking in the department of Hesault, with which Cambridgeshire has a twinning arrangement, during September. Anyone over sixteen is eligible, though it would be a mistake to assume that grapepicking is other than hard work in high temperatures. A remuneration of about £10 per day can be expected. Would anyone who is interested get in touch with Roger Hall, 11 Almond Grove (CH 80304) before the end of March.

### TEA AT TWO

If you've been used to going out to work and now find yourself stuck at home each day with a new baby, life can suddenly seem very lonely and depressing. Even a short break away from the house can do wonders for your morale. At Tea at Two we are having a 'recruiting drive' to encourage new mums to come along. Until your baby is old enough to start Toddler Group there's not much for him to do in the village at present so we are now raising funds to buy baby toys which will then be available at Tea at Two. By the time this article appears we will have had our Bric-a-Brac stall at the Toddler Jumble Sale and Toddler Group have also kindly said that we can have half the proceeds from their stall, so hopefully that will be a good start to the fund. Fisher Price have also sent us some 'seconds' which will come in very useful.

There will be an open meeting to decide which toys to buy, and to look at those already donated, on THURSDAY 10th MARCH at 8.00pm at 51 Oatlands Avenue. All welcome.
